Do You Open Your Mouth

Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to trust upon such knowledge. So he publishes, broadcast and on each bottle wrapper, what his medicines are made of and verifies by whom made. This he feels he can afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating, pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and cures nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea or St. Vitus's dance and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs. A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

SUIT FOR DIVORCE.

All hope of a reconciliation between Alfred E. Dieterich, of New York, one of the younger magnates of the Standard Oil Company, and his beautiful wife has been abandoned. She eloped to Europe in December last with Harry S. Brechley, formerly a coachman for Alfred Wayne Vanderbilt.

The husband has begun suit for absolute divorce. Mrs. Dieterich, who gave up a place in the most exclusive society, and abandoned her six-year-old daughter, to accompany the coachman, is in France with him. That Mrs. Dieterich does not mean to permit her husband to obtain a divorce without a defense was made known Thursday. One of the lawyers admitted that she had put in an answer denying every charge of misconduct. The complaint recites many incidents of Mrs. Dieterich's alleged misconduct with Brechley in Paris, New York, and in the suburban district whither they frequently went to attend exhibitions of horses, to which both were devoted. Mrs. Dieterich, in her answer, takes up her husband's allegations, and to each makes specific denial. There will be no attempt upon the part of the wife to obtain a financial settlement. She is wealthy to her own right, possessing more than \$1,000,000. Mrs. Dieterich is a daughter of the late Albert Young, of Richmond, who was a partner in the great tobacco manufacturing firm of Young & Ginter, afterward Allen & Ginter. Mr. Young died several years ago, leaving a fortune of about \$10,000,000. Most of this went to the widow, but the daughter, Edith, inherited more than \$1,000,000 outright.

Chamberlain's Cough Remedy is Both Agreeable and Effective.

Chamberlain's Cough Remedy has no superior for coughs, colds and croup, and the fact that it is pleasant to take and contains nothing in any way injurious has made it a favorite with mothers. Mr. W. S. Pelham, a merchant of Kirksville, Iowa, says: "For more than twenty years Chamberlain's Cough Remedy has been my leading remedy for all throat troubles. It is especially successful in cases of croup. Children like it and my customers who have used it will not take any other." For sale by W. F. Creighton and Richard Gibson.

GRAFTERS CONVICTED.

Three former high officials of Pennsylvania and the contractor with whose aid they were alleged to have carried out their plans were convicted in Harrisburg last night of conspiracy to cheat and defraud the Commonwealth of many thousands of dollars in the furnishing of the new capitol.

The men found guilty are John H. Sanderson, contractor; William P. Snyder, former auditor general; W. L. Mathews, former State treasurer, and James M. Shumaker, former superintendent of public buildings and grounds. The maximum imprisonment for each defendant in this case is two years and \$1,000 fine.

The four men were convicted of defrauding the State in furnishing the new capitol which cost the State about \$13,000,000, instead of \$4,000,000, the figure at which the contract was estimated. There are other defendants to be heard. The State claims that there are frauds amounting to nearly \$5,000,000 in the furnishings of the capitol.

Joseph M. Huston, the architect of the capitol, will have to stand trial in the next batch of the conspiracy cases, which is to be called Monday, March 23. In the first the State agreed to a severance for Huston, and he was not tried. In the coming case the State will oppose a motion, and Huston will be tried with the other defendants in the metallic furniture contract case.

They are, besides Huston, Congressman H. Burd Cassel, of the Pennsylvania Construction Company; former auditor General Snyder; former State Treasurer Mathews; former Superintendent of Buildings and Grounds Shumaker, and Traveling Auditor Frank Irvine.

Kodol is today the best known remedy for all disorders of the stomach, such as dyspepsia, heartburn, sour stomach and belching of gas. Sold here by W. F. Creighton & Co.

CRAZY MAN IN CHURCH.

A man giving the name of Wendum caused a disturbance in St. Elizabeth's Roman Catholic Church in Chicago yesterday. The police think he may be mentally unbalanced. He sat in a pew in the rear part of the church, wearing his hat and mumbering in an incoherent manner. When requested by the janitor to remove his hat he declined and said: "This is a free country and I can do as I please. When the organ begins playing I'm going to begin firing a gun."

The janitor ejected him. After reaching the vestibule Wendum denounced the Catholic religion, declaring that "priests should be blown off the earth."

He was later arrested, and told the police he had made trouble for the Catholic priests in Cleveland. He was searched, but no pistol was found in his pocket.

Kennedy's Laxative Cough Syrup acts gently yet promptly on the bowels and allays inflammation at the same time. It is pleasant to take. Sold by W. F. Creighton & Co.
